

YOU'RE INVITED!

CEDAR RIDGE HILLY HALF-MARATHON

Lace up your sneakers because Cedar Ridge Camp invites you to the second annual Hilly Half! This race will be run through the rolling hills that surround our beautiful camp grounds, located in the heart of the Madawaska Highlands. Although this race may be easy on the eyes, it'll be a killer on the thighs, so be prepared to conquer the hills in either the 10km or the Hilly Half-Marathon! All the hills will be worth it when you cross the finish line and are able to immediately jump into beautiful Lake Wanamaker.

Race weekend is from the 17th to the 19th of September 2021, with race day on September 18 for the 10K and the 21.1K. Both races will be **chip-timed** to ensure accuracy. Both courses remain the same, with the [10K](#) covering 140m of elevation gain and the [21.1K](#) tackling the Bessemer Beast.

This invitation is **exclusive** and there will be a maximum of only **150** racers. We encourage you to sign up with friends, running partners and family.

The **cost** to participate in either race is \$75 and accommodations for the entire weekend can be made for \$80 a night, including meals. As we have a limited number of **accommodations**, racers in groups will be given first priority. If you are not part of a group and are planning to stay on your own, accommodations can only be guaranteed through tent sites.

A portion of the proceeds from this race will be donated to the **Amici Camping** and **Kids N Camp Charities**. These charities support campers and their families by making it possible for underprivileged kids to reach their full potential through camp experience.
